

Autumn Cutting

Cut and stick the autumn pictures into your copy or sheet

Autumn Cutting Instructions

Listen carefully to the following instructions. I will only call them out once. Cut out the shape that I say and then stick it into your copy/page.

1. Cut out the shape with the picture that says "Autumn" first.
2. Now cut out the shape that has just two autumn leaves.
3. Next cut out the shape with people collecting leaves.
4. Now cut out the shape with just one autumn leaf.
5. Next cut out the shape with a sack full of leaves.
6. Lastly, cut out the shape with the autumn tree.
