Change Your
Mindset

I can
improve
when I work
hard

I can train
my brain to
learn new
things

My brain is like
a muscle –
when I
exercise it, it
gets stronger

My effort
and attitude
will make the
difference

I enjoy a
challenge
and having
a go

Struggling
makes me
stronger

All things
are difficult
before they
are easy

Everything
you don't
know is
something you
can learn

Success is a
result of

hard work and
determination

Don't judge me by my SUCCESSSES

Judge me by
how many times I
fell down and
got back up

It's OK to
make
mistakes

Mistakes are
learning
experiences
and
discoveries

Don't give
up until
you are
proud

Never
stop
trying

Every
mistake I
make is
progress

Never
give up

Mistakes
are
learning

FAIL = First
Attempt In
Learning

Nobody is good
at **everything**
but everyone is
good at
something
