

Here Comes Autumn

Signs of Autumn

1

Leaves fall
from some
trees

Days get
shorter and
nights get
longer

Some birds fly
off to warmer
countries

Leaves
change
colour

Blackberries
can be found
growing on
roadsides

Weather turns
cooler with
more wind and
rain

Farmers are
busy collecting
fruits like apples
and pears

Conkers and
acorns can be
found on the
ground

Helicopter seeds
from the
sycamore spin
through the air

Clocks go
back one
hour

Children wear
hats, scarves
and gloves

Children
celebrate the
festival of
Hallowe'en

Autumn colours
appear in nature
– red, yellow,
brown, orange
