

Don't Spread Diseases

Cover  
Coughs  
and  
Sneezes

When you cough and sneeze

Don't  
use  
hands,  
use  
sleeves

Don't  
Spread  
Germs

Use a  
Tissue

# Stop Germs Spreading

# Wash Your Hands

A person wearing a bright orange protective suit is shown from the chest down, holding a crumpled white tissue in their right hand and pointing with their left index finger towards a blue plastic bin. The bin is partially filled with other tissues. The background is a plain, light-colored wall. The entire scene is framed by a black border with white polka dots.

Stop Germs Spreading

Bin Used Tissues

# Stop Germs Spreading

Use Soap

# Stop Germs Spreading

# Dry Your Hands

# Stop Germs Spreading

Use hand sanitiser when  
you are out and about

# Stop Germs Spreading

# Avoid Shaking hands

# Stop Germs Spreading

**Avoid touching face  
with unwashed hands**
