Funny Awful Poems

Writing Poetry

Funny Awful Poems can be as long as you like. They follow a set pattern whereby alternate lines begin with: "It was so funny" / "It was so awful". It's not necessary to divulge in the poem what was so funny/awful – just record the reaction to the undisclosed incident. In that way, it keeps the reader guessing!

Awfully Funny Poem

It was so funny, the bus driver was crying,
It was so awful, I felt quite nauseous.
It was so funny, my friends were bent over,
It was so awful, my face was blushing.
It was so funny, I got the hiccups,
It was so awful,etc.
