

If I Had ... Poems

If I Had .. Poems

This type of poem really gets you to use your imagination. It follows a set formula. The first line is "If I had a ____" followed by the second line "in it I would have". The following lines should have a list of things, starting with one, then two etc. It can have as many lines in the list as you wish. The final four lines should follow the same structure as the example.

Write your own "If I Had" poem using the same structure. It could be If I Had a Castle, School, Garden, Zoo, Football Pitch, Farm, An Island etc.

If I Had a Garage
If I had a garage
in it I would have:
One red door,
Two large benches,
Three big skylights,
Four sets of
shelves,
Five red Ferraris
And more!
That's what I would
have
in my Garage.
How about you?
