# Poems with a Twist

## Writing Poetry

You firstly write the name of the poem. Poems with a twist then have four short lines. The first three should be full of expectation. However, the fourth line should be a let-down, where the bubble of expectation has been burst. So the fourth line is the line with the twist.

### School

Up early  
Breakfast eaten  
Ready to go  
No School!

### Cat

Ready to leap  
Claws sharpened  
Very hungry  
No mouse!

### Party

All Dressed up  
Present bought  
Very excited  
No party!

### Holiday

Got tickets  
Bag packed  
Very Excited  
Flight cancelled!
