Writing Poetry

This type of poem can be used to describe people, relations, animals, feelings or anything really. Just think of all the things that you associate with that person/thing and arrange them into the structure of the poem. Most lines should begin with "You are"

Have a go at composing your own "You Are" poem using a similar structure as the example. Writing a poem about a person you know well is an easy way to start writing this type of poem.

Brother

You are annoying
when you touch my stuff.
You are a morning grouch
at the breakfast table.
You are a pain
when you grab the front seat.
You are kind
when your mates are not
around.
You are thoughtful
when you help your little
brother.
You are still
the best friend to have
around.
You are my brother.
You are my big brother.
