

Maths Task Cards

Ten greater than/more than

What number
is ten greater
than 0?

What number
is ten greater
than 1?

What number
is ten more
than 2?

What number
is ten more
than 3?

What number
is ten greater
than 4?

What number
is ten greater
than 5?

What number
is ten more
than 6?

What number
is ten more
than 7?

What number
is ten greater
than 8?

What number
is ten greater
than 9?

What number
is ten more
than 10?

What number
is ten more
than 11?

What number
is ten greater
than 12?

What number
is ten greater
than 13?

What number
is ten more
than 14?

What number
is ten more
than 15?

What number
is ten greater
than 16?

What number
is ten greater
than 17?

What number
is ten more
than 18?

What number
is ten more
than 19?

What number
is ten greater
than 20?

What number
is ten greater
than 21?

What number
is ten more
than 22?

What number
is ten more
than 23?

What number
is ten greater
than 24?

What number
is ten greater
than 25?

What number
is ten more
than 26?

What number
is ten more
than 27?

What number
is ten greater
than 28?

What number
is ten greater
than 29?

What number
is ten more
than 30?

What number
is ten more
than 31?

What number
is ten greater
than 32?

What number
is ten greater
than 33?

What number
is ten more
than 34?

What number
is ten more
than 35?

What number
is ten greater
than 36?

What number
is ten greater
than 37?

What number
is ten more
than 38?

What number
is ten more
than 39?

What number
is ten greater
than 40?

What number
is ten greater
than 41?

What number
is ten more
than 42?

What number
is ten more
than 43?

What number
is ten greater
than 44?

What number
is ten greater
than 45?

What number
is ten more
than 46?

What number
is ten more
than 47?

What number
is ten greater
than 48?

What number
is ten greater
than 49?

What number
is ten more
than 50?

What number
is ten more
than 51?

What number
is ten greater
than 52?

What number
is ten greater
than 53?

What number
is ten more
than 54?

What number
is ten more
than 55?

What number
is ten greater
than 56?

What number
is ten greater
than 57?

What number
is ten more
than 58?

What number
is ten more
than 59?

What number
is ten greater
than 60?

What number
is ten greater
than 61?

What number
is ten more
than 62?

What number
is ten more
than 63?

What number
is ten greater
than 64?

What number
is ten greater
than 65?

What number
is ten more
than 66?

What number
is ten more
than 67?

What number
is ten greater
than 68?

What number
is ten greater
than 69?

What number
is ten more
than 70?

What number
is ten more
than 71?

What number
is ten greater
than 72?

What number
is ten greater
than 73?

What number
is ten more
than 74?

What number
is ten more
than 75?

What number
is ten greater
than 76?

What number
is ten greater
than 77?

What number
is ten more
than 78?

What number
is ten more
than 79?

What number
is ten greater
than 80?

What number
is ten greater
than 81?

What number
is ten more
than 82?

What number
is ten more
than 83?

What number
is ten greater
than 84?

What number
is ten greater
than 85?

What number
is ten more
than 86?

What number
is ten more
than 87?

What number
is ten greater
than 88?

What number
is ten greater
than 89?

What number
is ten more
than 90?

What number
is ten more
than 91?

What number
is ten greater
than 92?

What number
is ten greater
than 93?

What number
is ten more
than 94?

What number
is ten more
than 95?

What number
is ten greater
than 96?

What number
is ten greater
than 97?

What number
is ten more
than 98?

What number
is ten more
than 99?
