

Maths Task Cards

Ten greater than/more than

What number
is ten greater
than 105?

What number
is ten greater
than 211?

What number
is ten more
than 342?

What number
is ten more
than 473?

What number
is ten greater
than 564?

What number
is ten greater
than 665?

What number
is ten more
than 726?

What number
is ten more
than 867?

What number
is ten greater
than 918?

What number
is ten greater
than 119?

What number
is ten more
than 210?

What number
is ten more
than 311?

What number
is ten greater
than 412?

What number
is ten greater
than 513?

What number
is ten more
than 614?

What number
is ten more
than 715?

What number
is ten greater
than 816?

What number
is ten greater
than 917?

What number
is ten more
than 118?

What number
is ten more
than 219?

What number
is ten greater
than 320?

What number
is ten greater
than 421?

What number
is ten more
than 522?

What number
is ten more
than 623?

What number
is ten greater
than 724?

What number
is ten greater
than 825?

What number
is ten more
than 926?

What number
is ten more
than 127?

What number
is ten greater
than 228?

What number
is ten greater
than 329?

What number
is ten more
than 430?

What number
is ten more
than 531?

What number
is ten greater
than 632?

What number
is ten greater
than 733?

What number
is ten more
than 834?

What number
is ten more
than 935?

What number
is ten greater
than 136?

What number
is ten greater
than 237?

What number
is ten more
than 338?

What number
is ten more
than 439?

What number
is ten greater
than 540?

What number
is ten greater
than 641?

What number
is ten more
than 742?

What number
is ten more
than 843?

What number
is ten greater
than 944?

What number
is ten greater
than 145?

What number
is ten more
than 246?

What number
is ten more
than 347?

What number
is ten greater
than 448?

What number
is ten greater
than 549?

What number
is ten more
than 650?

What number
is ten more
than 751?

What number
is ten greater
than 852?

What number
is ten greater
than 953?

What number
is ten more
than 154?

What number
is ten more
than 255?

What number
is ten greater
than 356?

What number
is ten greater
than 457?

What number
is ten more
than 558?

What number
is ten more
than 659?

What number
is ten greater
than 760?

What number
is ten greater
than 861?

What number
is ten more
than 962?

What number
is ten more
than 163?

What number
is ten greater
than 264?

What number
is ten greater
than 365?

What number
is ten more
than 466?

What number
is ten more
than 567?

What number
is ten greater
than 668?

What number
is ten greater
than 769?

What number
is ten more
than 870?

What number
is ten more
than 971?

What number
is ten greater
than 172?

What number
is ten greater
than 273?

What number
is ten more
than 374?

What number
is ten more
than 475?

What number
is ten greater
than 576?

What number
is ten greater
than 677?

What number
is ten more
than 778?

What number
is ten more
than 879?

What number
is ten greater
than 980?

What number
is ten greater
than 181?

What number
is ten more
than 282?

What number
is ten more
than 383?

What number
is ten greater
than 484?

What number
is ten greater
than 585?

What number
is ten more
than 686?

What number
is ten more
than 787?

What number
is ten greater
than 888?

What number
is ten greater
than 989?

What number
is ten more
than 190?

What number
is ten more
than 291?

What number
is ten greater
than 392?

What number
is ten greater
than 493?

What number
is ten more
than 594?

What number
is ten more
than 695?

What number
is ten greater
than 796?

What number
is ten greater
than 897?

What number
is ten more
than 998?

What number
is ten more
than 199?
