

# Maths Task Cards

One hundred greater  
than/more than

Set 1

What number is  
one hundred  
greater than  
105?

What number is  
one hundred  
greater than  
341?

What number is  
one hundred  
more than  
755?

What number is  
one hundred  
more than  
698?

What number is  
one hundred  
greater than  
564?

What number is  
one hundred  
greater than  
665?

What number is  
one hundred  
more than  
726?

What number is  
one hundred  
more than  
867?

What number is  
one hundred  
greater than  
918?

What number is  
one hundred  
greater than  
119?

What number is  
one hundred  
more than  
210?

What number is  
one hundred  
more than  
311?

What number is  
one hundred  
greater than  
4 12?

What number is  
one hundred  
greater than  
5 13?

What number is  
one hundred  
more than  
6 14?

What number is  
one hundred  
more than  
7 15?

What number is  
one hundred  
greater than  
816?

What number is  
one hundred  
greater than  
917?

What number is  
one hundred  
more than 118?

What number is  
one hundred  
more than 219?

What number is  
one hundred  
greater than  
320?

What number is  
one hundred  
greater than  
421?

What number is  
one hundred  
more than 522?

What number is  
one hundred  
more than 623?

What number is  
one hundred  
greater than  
724?

What number is  
one hundred  
greater than  
825?

What number is  
one hundred  
more than  
926?

What number is  
one hundred  
more than  
127?

What number is  
one hundred  
greater than  
228?

What number is  
one hundred  
greater than  
329?

What number is  
one hundred  
more than 430?

What number is  
one hundred  
more than 531?

What number is  
one hundred  
greater than  
632?

What number is  
one hundred  
greater than  
733?

What number is  
one hundred  
more than 834?

What number is  
one hundred  
more than 935?

What number is  
one hundred  
greater than  
136?

What number is  
one hundred  
greater than  
237?

What number is  
one hundred  
more than 338?

What number is  
one hundred  
more than 439?

What number is  
one hundred  
greater than  
540?

What number is  
one hundred  
greater than  
641?

What number is  
one hundred  
more than  
742?

What number is  
one hundred  
more than  
843?

What number is  
one hundred  
greater than  
944?

What number is  
one hundred  
greater than  
145?

What number is  
one hundred  
more than  
246?

What number is  
one hundred  
more than  
347?

What number is  
one hundred  
greater than  
448?

What number is  
one hundred  
greater than  
549?

What number is  
one hundred  
more than 650?

What number is  
one hundred  
more than 751?

What number is  
one hundred  
greater than  
852?

What number is  
one hundred  
greater than  
953?

What number is  
one hundred  
more than 154?

What number is  
one hundred  
more than 255?

What number is  
one hundred  
greater than  
356?

What number is  
one hundred  
greater than  
457?

What number is  
one hundred  
more than 558?

What number is  
one hundred  
more than 659?

What number is  
one hundred  
greater than  
760?

What number is  
one hundred  
greater than  
861?

What number is  
one hundred  
more than  
962?

What number is  
one hundred  
more than  
163?

What number is  
one hundred  
greater than  
264?

What number is  
one hundred  
greater than  
365?

What number is  
one hundred  
more than 466?

What number is  
one hundred  
more than 567?

What number is  
one hundred  
greater than  
668?

What number is  
one hundred  
greater than  
769?

What number is  
one hundred  
more than 870?

What number is  
one hundred  
more than 971?

What number is  
one hundred  
greater than  
172?

What number is  
one hundred  
greater than  
273?

What number is  
one hundred  
more than 374?

What number is  
one hundred  
more than 475?

What number is  
one hundred  
greater than  
576?

What number is  
one hundred  
greater than  
677?

What number is  
one hundred  
more than 778?

What number is  
one hundred  
more than 879?

What number is  
one hundred  
greater than  
980?

What number is  
one hundred  
greater than  
181?

What number is  
one hundred  
more than 282?

What number is  
one hundred  
more than 383?

What number is  
one hundred  
greater than  
484?

What number is  
one hundred  
greater than  
585?

What number is  
one hundred  
more than 686?

What number is  
one hundred  
more than 787?

What number is  
one hundred  
greater than  
888?

What number is  
one hundred  
greater than  
989?

What number is  
one hundred  
more than 190?

What number is  
one hundred  
more than 291?

What number is  
one hundred  
greater than  
392?

What number is  
one hundred  
greater than  
493?

What number is  
one hundred  
more than 594?

What number is  
one hundred  
more than 695?

What number is  
one hundred  
greater than  
796?

What number is  
one hundred  
greater than  
897?

What number is  
one hundred  
more than 998?

What number is  
one hundred  
more than 199?
