SCORING

- 3/4 letter words = 1pt
- 5 letter words = 2pt
- 6 letter words = 3pt
- 7 letter words = 5pt
- 8+ letter words = 11pt

BOGGLE

RULES

1. Each word should be of at least three letters.
2. Words that have the same spelling but different meanings will be counted only once.
3. You cannot repeat any words.
4. You can use both singular and plural forms of the same word.
5. The Qu cube counts as two letters.
6. A letter cannot be used more than once unless it occurs twice in the grid.
7. Consecutive letters of your words must be adjacent to each other horizontally, vertically, or even diagonally.
8. Words can be spelled in any direction, including backwards.
9. Proper nouns like people's names and places are not allowed.
10. Follow the scoring key to total your score.
11. You could use a specified amount of time to find words in the grid.
