

# Hallowe'en Colour Match-Ups

This resource focuses on ordinal numbers and positional language and language processing skills which can pose some difficulties for younger pupils and SEN pupils.

This pack includes ten worksheets with a Hallowe'en theme for pupils to practise these essential skills.

The worksheets include language like first, last, third, before, beside, between, under, above.

In this version, the teacher/SNA/supporting adult reads out the instructions aloud and pupils follow the instructions accordingly.
