

# SHOE PRINTS

This is a really simple and easy art lesson to do, yet it is one which pupils of any age will enjoy.

1. Give a sheet of art paper to each pupil.
2. Get them to take off both of their shoes/runners and to look at the soles. Get them to notice the pattern of the sole.
3. Then get them to trace both the left and the right shoe onto the art paper. After tracing, get them to recreate the pattern of the sole on the paper. If the sole has no distinct pattern, they can make up a pattern of their own.
4. They can be as creative as they wish and use as many or as few colours as they wish. Crayons/markers are a good art medium for this lesson.
5. When the shoe soles have been fully decorated, cut out both of the shoes.
6. A class full of shoe prints make a great display in the classroom. The way I like to display these is to start at the bottom of a wall, place one print slightly ahead of the other. Then, continue the prints up the wall in any direction, even up onto the ceiling. You'll find the pupils constantly looking up and admiring these!
