## Instructions

Cut out all the 12 cards, the Choice Board and the individual picture cards and laminate them all. Place Velcro on the blank spaces on the Choice Board and the blank spaces on the individual cards. Place Velcro also on the back of the individual picture cards. Place the picture cards in any random order on the Choice Board.

Taking one card at a time, the pupil must look at the colour of the tree on the left of the card, find the leaf that matches that colour on the Choice Board and place it in the blank box next to the tree on the card.
